Policy Statement:

The Town of Cardston has adopted this policy to ensure that all necessary goods and services are acquired in a consistent manner that results in the best overall value to the Town of Cardston. The Town of Cardston intends to make purchases and contract agreements through an open, competitive and non-discriminatory selection process which will identify qualified suppliers through competitive bids and written quotations.

The purpose of this policy is to:

Comply with purchasing practices legislated by the federal and provincial governments.

Where appropriate, the Town of Cardston will give priority to Cardston businesses for the supply of goods and services and construction contracts.

1) Definitions

For the purposes of this policy:

(a) "Best Value" means

- i. Obtained by determining the total cost of performing the intended function over the lifetime of that function.
- ii. To include quantitative and qualitative factors.

(b) "Cardston Businesses" means

- i. Any person, firm, partnership or corporation which supplies goods or services, or construction contract services, is located in the Town of Cardston or in the Cardston trading area (i.e. Cardston County), and has a current business license, unless otherwise exempt from the requirement to obtain a business license.

(c) "Invited Tender" means

- i. Written solicitation to selected qualified suppliers.

(d) "Local Suppliers" (*see Cardston Businesses*)

TOWN POLICY

TITLE: Purchasing and Tendering Policy

POLICY NUMBER: FA-033

- (e) "New West Partnership Trade Agreement" means
 - i. Provincial legislative agreement between the provinces of British Columbia, Alberta and Saskatchewan that governs large purchases and construction contracts for government organizations. This came into effect on September 11, 2009.
- (f) "Public Tender" means
 - i. Advertised solicitation to qualified suppliers. A public tender differs from invited tenders in that any supplier may respond.
- (g) "Purchasing Agent" means
 - i. Any individual authorized to enter into contracts, agreements and purchase orders that bind the Town to the terms thereof for goods and services.

2) Purchasing Guidelines

- (a) Purchasing shall follow guidelines set out in the New West Partnership Trade Agreement for purchases of goods and services over \$75,000 and construction services over \$200,000.
- (b) In evaluating all quotations and tender bids from suppliers and contractors, the Town of Cardston shall consider the following purchasing criteria:
 - i. Quality
 - ii. Price
 - iii. Innovation
 - iv. Functionality
 - v. Assurance of supply and deliverability
 - vi. Anticipated customer service
 - vii. Compatibility with existing equipment
 - viii. Impact on local economy
 - ix. Other as deemed appropriate
- (c) For goods and services and construction contracts that are not governed by provincial or federal legislation, the Town of Cardston will apply the following guidelines:
 - i. Purchases or contracts over \$20,000 require a formal bid process. Where reasonable, local businesses should be contacted for bids. See appendix "A" for determining the best formal bid process to use. It will be at the discretion of the Chief Administrative Officer (CAO) to determine whether bid proposals will be by invited tender or public tender. A minimum of three proposals should be obtained whenever possible.

TOWN POLICY

TITLE: Purchasing and Tendering Policy

POLICY NUMBER: FA-033

- ii. Purchases or contracts \$5,000 - \$20,000 require three quotes when it is sensible and prudent to do so. Process costs and cost of time needs to be balanced against due diligence to obtain best value. Quotations may be in the form of written, fax, email, or price catalogues. For purchases in this category, a record of price quotes should be kept on file. When possible, local businesses should be contacted for price quotes.
 - iii. Purchases under \$5,000 do not require a quote or tender award process. Discretion should be used to obtain best value; this may include occasional price shopping for routine purchases. When possible, purchases should be made locally.
- (d) Purchasing agents or department heads may at their discretion use a formal bid process for purchases under \$20,000 if the need arises. See appendix "A" to determine when such cases may be necessary.
- (e) Where not governed by legislation, the Town will give preference to local suppliers after considering purchasing criteria in 2.b. and in consideration of overall best value to the Town of Cardston.

3) Used Equipment

- (a) Purchasing agents or department heads may at their discretion purchase used equipment. It is often a challenge to compare two or more pieces of used equipment and discretion is required by purchasing agents. In order to obtain best value and minimize risk to the Town, purchasing agents should follow the criteria set out in 1.c., in addition to the following guidelines when purchasing used equipment:
- i. Prior to purchase, obtain comparable information on at least 2 similar pieces of equipment. The following should be documented and used in comparing alternatives:
 - Price
 - Km's or hours on equipment
 - Rating of general condition
 - List of extras or accessories included
 - Estimated freight and shipping costs
 - Year
 - Purchase price of new piece of equipment
 - Mechanical inspection report
 - Warranties available
 - ii. Once comparable information has been established, a purchasing agent may purchase used equipment provided it is comparable to recent actual sales and represents best value for The Town.

SCHEDULE 'A'

TITLE: Purchasing and Tendering Policy

POLICY NUMBER: FA-033

Formal Bid Processes

The following is a list of the possible bid processes that may apply for a given purchase of goods or general services.

Request for Information	Used for goods or services of any value where the Town has an idea and is looking for the best approach to execute it. The intent is to source technical or commercial data for possible inclusion in a follow up process; a contract is not intended at the end of this process
Request for Proposal	Used for goods or services of any dollar value where requirements and specifications are not clearly defined, the vendor is considered the expert, a high degree of flexibility is required and negotiations may be required. A contract is intended at the end of the process for which a formal legal agreement may be required.
Request for Quotation	Used when goods or services are of a low-dollar value, requirements and specifications are clearly defined, the Town is considered the expert and the award criteria is heavily weighted to price.
Request for Tender	Used where goods or services are of a high-dollar value, requirements and specifications are clearly defined, the Town is the expert, and award criteria is heavily weighted to price. A contract is intended at the end of the process for which little flexibility is required and a formal legal agreement may be required.
Request for Pre-qualification	Used to establish the technical abilities of a vendor and to ensure that the vendor will be capable of providing the required goods or services. Used to create bid lists when requirement is repetitive.
Expressions of Interest	Used to develop a list of potential bidders by gauging public interest in an expected future procurement.

The Chief Administrative Officer or designate will determine the best advertising medium for the above mentioned bid processes and will use their professional judgment to determine low-dollar versus high dollar values for request for quotation and request for tender processes. When possible a minimum of three suppliers should be contacted to obtain the best value. Requests may be advertised locally, regionally, or nationally as determined by the purchasing agent. Request may also take the form of an invited tender or public tender.
